SUBJECT : Department of State Legislation Amending the Foreign
Service Act

Following is a copy of a memorandum dated 9 June 1965 from the General Counsel to the Executive Director-Comptroller on the subject of "Department of State Legislation Amending the Foreign Service Act." [redacted] are now working with Mr. Houston on this legislation. [redacted] will be responsible for the General Counsel coordinating function when he returns to duty next week. It is requested that each support component having interest, information, or suggestions regarding this legislation designate a representative to work with this office in developing our course of action. A meeting for this purpose will be held 21 June at 2:00 p.m. in the DD/S Conference Room. Please advise [redacted] extension [redacted] if you will have a representative attend.

"In view of the number of Agency offices interested in one aspect or another of the proposed Department of State legislation amending the Foreign Service Act, we have agreed that there should be one coordinating point and that this office will do such coordinating. The main problem at this time is to make sure that all pertinent information is brought into one central place and disseminated to all interested people. Therefore, we will request all offices interested in this legislation to forward such information to us and we will see to its appropriate dissemination. Furthermore, it seems to me that any formal approaches to the Department of State, Civil Service Commission, Bureau of the Budget, etc. should be coordinated by us, and we will also conduct, in coordination with all the other offices involved, any necessary liaison with committees of the Congress. We will keep you appropriately informed and would appreciate any information developed by you or others in the Director's office that may be pertinent to this subject.
